

## Student Led Conferences 19th April 2016

We will be holding our Student Led Conferences on **Tuesday, 19th April (8am-4pm)** in Middle School homerooms. The purpose of this exercise is to showcase student achievement over the course of the year and allow students to reflect upon their progress. We would like each of our parents or guardians to attend as this is an extremely important aspect of your child's experience in the middle school.

The format for the day will therefore be as follows:

- Normal lessons will be suspended for the day and students will only attend school for the duration of their conference, arriving at and leaving school with parents/guardians. There will be no supervision for students on the 19th.
- Conferences will take place over a 25-minute period in each homeroom. Three (3) students may be present in each classroom simultaneously running conferences.
- Students will be presenting their work in a variety of mediums - using laptops, posters and evidence of written/hand-crafted work.
- Students may present their work in their mother tongue.

Parents will be asked to complete a reflection sheet based on their child's portfolio and conference. This too can be completed in a mother tongue language. Please ask your child lots of questions during the conference. We will give you some sample questions to ask if you need some help starting the conversation. As this is a Student Led Conference, teachers will not be actively participating in your discussion with your child. Please remember this is not a Parent-Teacher conference.

Parents of new students sometimes ask if they should attend. While all are welcome to attend, new students will likely not have complete portfolios especially if they have just arrived to our school. An Interim Semester Two report will be available to the families of new students giving an initial account of their progress, through ManageBac before upcoming holiday.

If you have any difficulties signing up for SLCs or need to change your appointments, please contact Michael Taylor at [mtaylor@iss.edu.sg](mailto:mtaylor@iss.edu.sg) for assistance.

Sincerely,

*Tim Walsh- Middle School Principal*

## Signing up Student Led Conferences!

**Date and time:** Tuesday 19th April, 8am- 4pm

**Venue:**

ISS Paterson Campus, MS building, student homerooms:
